Finally got to setup a gallery with all my pictures, And hopefully doesn't get hack. The las time I tried here with Joomla, the component had a flaw and the site got hack. This time around am using some one else hosting. Please check it out, and send me feed back Brian Picolo Bike Heat! photos are here! , if you need to get copies of the images or use them for pr, please send me a message using the contact form at <http://photobook.mataluis.com>

Wings Over Miami air museum photos are here! , We had a great time there. You should check them out. They are located at the Tamiami Airport more info you can referre to their website <http://www.wingsovermiami.com>

Here is a new photography site for your enjoyment...

<http://www.naplesweddingphotographers.net> ,

Here you will find other works that I have contribute. Thanks for stoping by...

Checkout !!!..... <http://photobook.mataluis.com>

<http://www.thefamousphotographers.com/></a>

Checkout the new matrix softswitch

It was definetly one of the toughest decitions I had to make. But with so many web sites out there, how do I contribute to a wide variety of crowds without having to have too many web sites.
